

REACH regulation n. 1907/2006 – Information letter for the Supply Chain

The A TLC S.r.l. company, is fully aware of the requirements given by REACH regulation n.1907/2006 and has identified its roles and obligations to the best of its knowledge.

A TLC S.r.l. is a *downstream user* and an *importer* of articles.

A TLC S.r.l. confirms that we understand our obligations under REACH in our roles either as *downstream user* or *importer of articles*.

A TLC S.r.l. is located inside of the EU. For our suppliers, located within the EU, we are acting as *downstream users* and therefore they have to fulfill the obligations given by REACH.

For our suppliers, which are located outside the EU we are acting as *importer* with all obligations relevant to us.

A TLC S.r.l. will not pre-register or register any *substances* as we do not sell any *articles* containing any *substances* that are intended to be released at any time.

Therefore pre-registration or registration is not required.

A TLC S.r.l. is in contact with all of our suppliers (located inside and outside of the EU) in order to get proper information and to ensure the availability of *articles* in the future.

The *candidate list* according to Article 59 of the Regulation (EC) No 1907/2006 on the Registration, Evaluation, Authorisation and restrictions of Chemicals (REACH) has been published on 28 October 2008 and subsequently updated.

A TLC S.r.l. is aware about the legal obligations this publication triggers, that is the information requirements according to Article 33(1) REACH and will comply with them.

A TLC S.r.l. *articles* contains **none** of the *substances* included in the *candidate list* published on http://echa.europa.eu/chem_data/candidate_list_table_en.asp.

A TLC S.r.l. will make information public on our websites.
